

What Our Clients Say About Our Music

Ms. Susan Bennett
55 Forestwood Lane
Atlanta, Ga. 30328

Dear Susan and Interactive:

We are having trouble coming up with enough adjectives to describe you and the wonderful entertainment you provide for our clients. Every musician was incredible, perfect, flawless... not to mention organized, polite, and so nice to boot!

Please accept our biggest THANK YOU for all that you did to make our job so much easier during the RIMS Convention. Because of your personal commitment to make certain that everything goes wonderfully, you know you are the first one we call for our entertainment needs!

We hope that the synergy that exists between you and Presenting Atlanta will continue to always make us both look good in the eyes of our clients!

Best Regards,

Jim
